

Steamer "Tashmoo," Detroit, Mich.

**THE STEAMER TASHMOO** is the pride of the White Star Line. She was constructed especially for use as a river excursion boat and carries 4,000 passengers on her broad decks. The Tashmoo's regular run is from Detroit to Pt. Huron, passing through the Detroit river, Lake St. Clair, the St. Clair Flats and St. Clair river. At Tashmoo Park, where the steamer touches, a large picnic ground and dancing pavilion are maintained.

Hello why don't  
you write did you  
not get my letter  
I sent you one and  
George one and have  
had no word from  
either one yet I hope  
you are all well  
I am well and  
working every day  
and having the good  
news of your return
